If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

- A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.
- B. If the status above is to be removed, check box 5b on Part B - Fee(s) Transmittal and pay the PUBLICATION FEE (if required) and twice the amount of the ISSUE FEE shown above, or

If an equivalent of Part B is filed, a request to reapply a previously paid issue fee must be clearly made, and delays in processing may occur due to the difficulty in recognizing the paper as an equivalent of Part B.

III. All communications regarding this application must give the application number. Please direct all communications prior to issuance to Mail Stop ISSUE FEE unless advised to the contrary.

IMPORTANT REMINDER: Utility patents issuing on applications filed on or after Dec. 12, 1980 may require payment of maintenance fees. It is patentee's responsibility to ensure timely payment of maintenance fees when due.

Re: Notice of Allowance
CIL1266: PROTECTIVE MOTORCYCLE IMPACT CAGE

Dear Mr. Obershan:

Congratulations. I am pleased to inform you that the U.S. Patent and Trademark Office (USPTO) has approved your utility patent application. Enclosed is a copy of the Notice of Allowance and Issue Fee Due. If you would like to obtain a patent, the USPTO requires that you pay an Issue Fee of \$700. The **\$700** issue fee must be received by the USPTO by **1/3/2006** as shown on the enclosed correspondence (obverse). **If the issue fee is not paid by that date, the application will automatically become irretrievably abandoned.**

To expedite the process, please send your Issue Fee payment check as soon as possible so that I can prepare the necessary documents and forward them along with your payment check to the USPTO. The check must be made payable to "**Assistant Commissioner for Patents**" and should be mailed to me at the address shown in my letterhead. You may also pay this fee via credit card by downloading the payment form at <http://www.uspto.gov/web/forms/2038.pdf> and faxing the completed form to me at 914/301-8379. Please include your attorney docket number and the application serial number (as shown obverse) in the memo field of your payment.

I cannot be held responsible for timely filing of issue fee payments that reach me less than ten days prior to the due date, or your failure to heed this notice. Additionally, be advised that mail to my office is often collected after post office hours, so please do not use any form of delivery that requires signature confirmation. Using such forms of delivery often delays our receipt three or four weeks, so we cannot ensure that such mail will be received in time to process the issue fee payment (if you would still like to track your letter, please use delivery confirmation or another form of delivery that does not require signature). If your address has changed since the patent was filed, please notify me as soon as possible so that notification of this change can be submitted to the USPTO along with the Issue Fee payment for your application. The Patent Office will issue a patent certificate, which will be forwarded to you, approximately four months after the issue fee is paid.

Thank you for allowing me to assist you with your patent application.

Sincerely,

Anthony Edw. J Campbell
Attorney at Law
